Description

Celebrating Holiness

This initiative is intended to complement and enhance the current work of the local churches, districts and fields in furthering the creation of a spiritual environment on the Africa Region where God is given freedom to bring on going, holiness revival to all churches and spiritual renewal to the leadership and membership on the continent of Africa. The recommended course for this initiative is a 50-day guided study and reflection leading to personal and corporate Holiness as it relates to the Wesleyan tradition with the desired outcome being a call-to-action leading to an awareness of need, focus on prayer and fasting, personal and corporate confession and repentance, engagement in a covenantal and accountability relationship with God and the Church.

Objectives of Initiative

- 50-day guided study and reflection that leads to personal and corporate holiness revival
 - Through awareness of need
 - Obedience to God's call to be a holy people as revealed in the Scriptures
 - Through focus on prayer and fasting
 - Through personal and corporate confession and repentance
 - Through engagement in a covenantal and accountability relationship with God and the Church
- The creation of a catalytic agent that promotes ongoing personal and corporate revival on the Africa Region

The critical objective of this initiative is that this effort will be a catalytic agent in ongoing "holy" Christian fellowship, the conversion of sinners, the entire sanctification of believers, their upbuilding in holiness, and the simplicity and spiritual power manifest in the primitive New Testament Church
(Manual, 2009-2013).
